We started this whole thing in June 2003 in Lebanon, NH. Over the decades we've worked to offer a warm, welcoming "local" in each of the towns where Salt hill Pubs exist. As an independent, family-owned restaurant group, we live and work in these communities – and we're truly grateful for each and every guest that comes through our doors.

If you've enjoyed your time here, feel free to tell your friends and family. If anything does not measure up, please let one of us know while you are here, so that we can make corrections, and improve our Pub.

We look forward to serving you again soon.

- Joe, Matt & Josh Tuohy,
